

The graph displays four data series on a grid. The x-axis has 12 points, and the y-axis has 10 points. The series are:

- Red Series:** Starts at (1, 4), rises to (2, 6), (3, 7), peaks at (4, 10), falls to (5, 7), and ends at (6, 0).
- Yellow Series:** Starts at (1, 1), rises to (2, 1), (3, 3), (4, 3.5), falls to (5, 0), and ends at (6, 0).
- Green Series:** Starts at (4, 0), rises to (5, 3.5), falls to (6, 0), and ends at (6, 0).
- Blue Series:** Starts at (6, 0), rises to (7, 3), falls to (8, 0), and ends at (8, 0).

A purple dot is located at (5, 5).
