The graph displays the growth of publications over a decade. The 'All Publications' series (blue line with circles) shows a significant increase starting in 2002, peaking in 2003, and then declining. The 'Publications with a DOI' series (pink line with triangles) shows a small peak in 2005. The 'Publications with a DOI and a URL' series (green line with triangles) remains consistently low throughout the period.

Year	All Publications	Publications with a DOI	Publications with a DOI and a URL
2000	10	10	10
2001	10	10	10
2002	20	10	10
2003	100	15	15
2004	40	10	10
2005	15	25	10
2006	10	10	10
2007	10	10	10
2008	10	10	10
2009	15	10	10
2010	25	10	10
