

The graph displays the number of publications over time for three different categories. The x-axis represents the year from 2000 to 2010, and the y-axis represents the number of publications, ranging from 0 to 100. The first series, represented by a blue line with triangle markers, shows zero publications throughout the entire period. The second series, represented by a green line with triangle markers, shows a peak of 10 publications in 2002 and 2003. The third series, represented by a purple line with circle markers, shows a single data point of 100 publications in 2005.
